**Brittany's Sr Show:** <http://www.ndimaging.com/09ba>

**Brittany:** It was very entertaining and fun. A great variety of pretty flowers and indoor and outdoor sets. I didn't feel rushed and I loved being able to see my photos as they were being taken. Bringing my Proofs home right after the sitting is nice too.

**Brittany's mom:** It was nice to be in the camera room and follow them around outdoors. I enjoyed being a part of her sitting. It was nice to be able to have input into the sitting and tell Karl what we really loved. It's great to be able to see the portraits right after the sitting and hear them suggest: this would make a great B&W and then be able to see it right away.
