RE: Cole and Bethany Lancaster Wedding on 6-20-09

As you all know it was a wonderful and a little bit of a rainy day but I think we were able to create some wonderful memories for everyone.

Bethany and Cole did a super job and were fantastic models.

They selected their favorite photos on 6-21-09 and we are putting them online to share with everyone. Let us know if you would like to place an order OR you can go to www.ndimaging.com and click 'Order Online' and place your order that way.

You will be able to view the images in a Gallery at www.ndimaging.com/09wedbcgallery.

We're looking forward to hearing from you about what you thought about their wedding and these portraits.

We will be creating a very special album – it's the first time we've made an album like the one we will be doing.

It will have a large variety of images in it with several different borders and other print enhancements.

Please give us a call if you are interested in other photography services: Right now we are having fun creating a variety of images for the High School Seniors, Wedding Couples and Family Portraits.
