TO: Organizations participating in the “Charity Trees at Mauna Lani 2005”

FROM: Karl Joyce

RE: Thank you for participating in this wonderful event. *PLEASE ENJOY THE SHOW.*

Enjoy the “Charity Trees at Mauna Lani 2005” show at: <http://www.ndimaging.com/maunalanichristmas/1.html>
As you view the show; remember your favorite tree’s file number; followed by the organizations’ name.

THEN; TO DOWNLOAD A SPECIFIC PORTRAIT and make it your computer’s wallpaper, use on a website, in office communications or as an attachment to an email click <http://www.ndimaging.com/maunalanichristmas/> and go to that image’s file number. Then, double click on the image you want and when it opens; right click on the image and save it to your desktop or choose one of the selections on your screen.

We hope you enjoy the portrait and can share it, along with the joy, love and spirit behind it, with others. We are glad to be able to donate the use of the image for these purposes to your organization and would appreciate it if you can indicate it was created by “ndimaging.com” whenever you use it.

If you would like a full resolution image: the original files are HUGE, designed to print up to 20 x 30 OR an image for use in another application where you need a copyright release, please call for details and prices.

If you need help with the use of digital images feel free to ask us. We’d be happy to walk you though the digital imaging process. 2004 Charity Trees Show: <http://www.ndimaging.com/maunalanitrees2004/1.html>

We look forward to working with you in the future. We offer a wide variety of portrait, web, commercial, marketing, PDF, business development and other services.

Sincerely

Karl Joyce
