February 18 & 19, 2006 College Ski Race Viewing & ordering images

We hope you enjoyed your race; we created many portraits to help you remember it; they will be online for a limited time, so please call us to order by 3-5-06. A "Primary Contact" person will work with you, so you can receive personalized care. It is more difficult to order portraits over the phone and internet than in person, but we've become skilled at making this work. Since it takes time to download such a large collection of images, we divided them into different shows and PDFs; high speed connections are highly recommended to view these images. *A personal comment from Karl Joyce, photographer: "This is the first time I photographed this event, I think we did a good job overall. I hope everyone can find a portrait to order. Let me know if you want something special."*

Please offer suggestions and testimonials about the photography coverage; we would like to improve our service and let others know what we are doing right! We are considering an automated ordering service shortly; if you would like to be notified of this please email us at: ndimaging@gmail.com

1) Viewing Portraits: DON'T WORRY about exposure: 96% of the images can be adjusted to look GREAT. There are some sample photos at the beginning of some PDFs.

a) **View 5x7 images:** scroll to you favorite images and see if you'd like to order an enlargement.
